Reviews

Cloud5 partners with some of the world's most discerning brands to deliver superior level service...but do not take our word for it:

“Cloud5 has been a trusted partner for our resort, The Grove Resort & Waterpark Orlando, for 5 years. We rely on them for answering our overflow of calls, which consist of assisting new and existing guests with overall resort questions, booking new reservations, and cancelling or modifying reservations. Their team is incredibly knowledgeable and always goes the extra mile to ensure our satisfaction. For example, with Cloud5, we have seen a 20% year-over-year increase in reservation bookings. Overall, we've been very impressed with Cloud5's expertise, responsiveness, and dedication to customer service. We highly recommend them to anyone seeking a communication services vendor.
