

HOSPITALITY

VENDOR MANAGEMENT CHECKLIST

Check all that apply to determine if your property would benefit from Cloud5's Vendor Management offering.

- My property is understaffed
- My property is not compliant with latest brand standards
- My property does not have an on-site project manager or project management team
- My property's IT systems are due for upgrade
- One or more of my property's facilities needs updating
- The technology in my property's guestrooms needs an upgrade
- My property has the latest security systems in place
- My staff has deep hospitality experience and know-how
- My teams have rigorous processes in place to track and manage projects
- I have projects on my roadmap that will require collaboration between multiple vendors
- Completing my property's full slate of 2023 projects on time and on budget is mission critical to my property
